

Company Safety Policy

This company is committed to a strong safety program that protects its staff, its property and the public from accidents.

Our objective is to conduct our business in the safest possible manner consistent with the Occupational Safety & Health Act, and any other applicable legislation.

Employees at all level, including directors & management staff are responsible and accountable for the company's overall safety initiatives. Complete and active participation by everyone, every day, in every job is necessary for the safety among all workers on the job site.

Creating a healthy and accident-free workplace is our commitment. We believe that all accidents can be prevented and that all employees have a common responsibility to care each other and environment. The full co-operation and support from all employees is necessary to ensure the Safety Policy and initiatives are implemented effectively.
